

# FOGGS

Foundation for Global  
Governance and Sustainability

## OUR MISSION

- ❖ *To develop and promote a Grand Narrative of hope, for a people-centred, planet-friendly, inclusive and sustainable globalisation in a rapidly evolving world;*
- ❖ *To help address major global challenges through a revamped global governance system and engaged, responsible and informed global citizens;*
- ❖ *To ensure that the rapid and transformative technological and digital advances contribute to a more just and equitable world, with a better life for all people.*

# A Grand Narrative

## OUR PHILOSOPHY

*To explain, challenge and bind the world*

THE FOGGS HEXALOGUE

1. Harmony within humanity and with planet Earth
2. States and international organisations at the service of people
3. Human diversity and tolerance, mobility and restraint
4. The economy at the service of humanity
5. Science and technological progress linked to society
6. Engaged global citizens

### 1. **Global Governance:**

Reconnecting global governance institutions to realities on the ground for people and the planet, and to that end promoting normative, structural and procedural transformations

### 2. **Global Sustainability:**

Building bridges between ambitious global goals and the daily lives of people around the world, ensuring that good practices are broadly shared towards human resilience and well-being

### 3. **Global Citizenship:**

Challenging people through education and training to inform themselves and become agents of change to ensure a positive future for humanity and our planet

- [Pushing the Agenda – advocating for A Narrative of Hope and Resilience for human dignity and well-being](#): Proposal

# UN75+25 Alliance

- In the context of the 75th anniversary of the United Nations, FOGGS and partners are bringing together older and younger generations through the **UN75+25 Alliance**.
- We strive to create a new **narrative of hope** and ensure **implementation of the 2030 Agenda** and the **SDGs**. Here is a short [video](#) explaining the idea of the Alliance.
- We ask people of all generations to take an active part in the **UN75+25 Alliance** by sending a 800-word article with their views for publication in the Dialogue section of [Katoikos.world](#), the FOGGS online community-building magazine.

# GLOBAL SUSTAINABILITY

# Sustainable Development Fora

***Partnerships with local civil society to review the state of SDG implementation in countries around the world, identify gaps and promote good practices***

- [Hellenic Forum for Sustainable Development \(ELFOVA\)](#)  
with the Hellenic Foundation for European and Foreign Policy (ELIAMEP)  
and other partners, Greece
- Forum for the Sustainable Development of India (FSDI)  
with the Eco Foundation for Sustainable Alternatives (EFSA)  
and other partners, India *(report under preparation)*

# GLOBAL CITIZENSHIP

# COVIDEA – The COVID Education Alliance

- Leverage digital technologies to better prepare people for a rapidly changing world in the digital age
- Ensure that learners at all levels obtain the skills, competencies and knowledge needed for happy and productive lives in a sustainable future
- Build on the opportunities new technologies offer, as well as on the latest advances in education and related disciplines
- Contribute to the achievement of the Sustainable Development Goals (SDGs) as they relate to universal education, life-long learning, promoting innovation, and beyond

# Other Activities

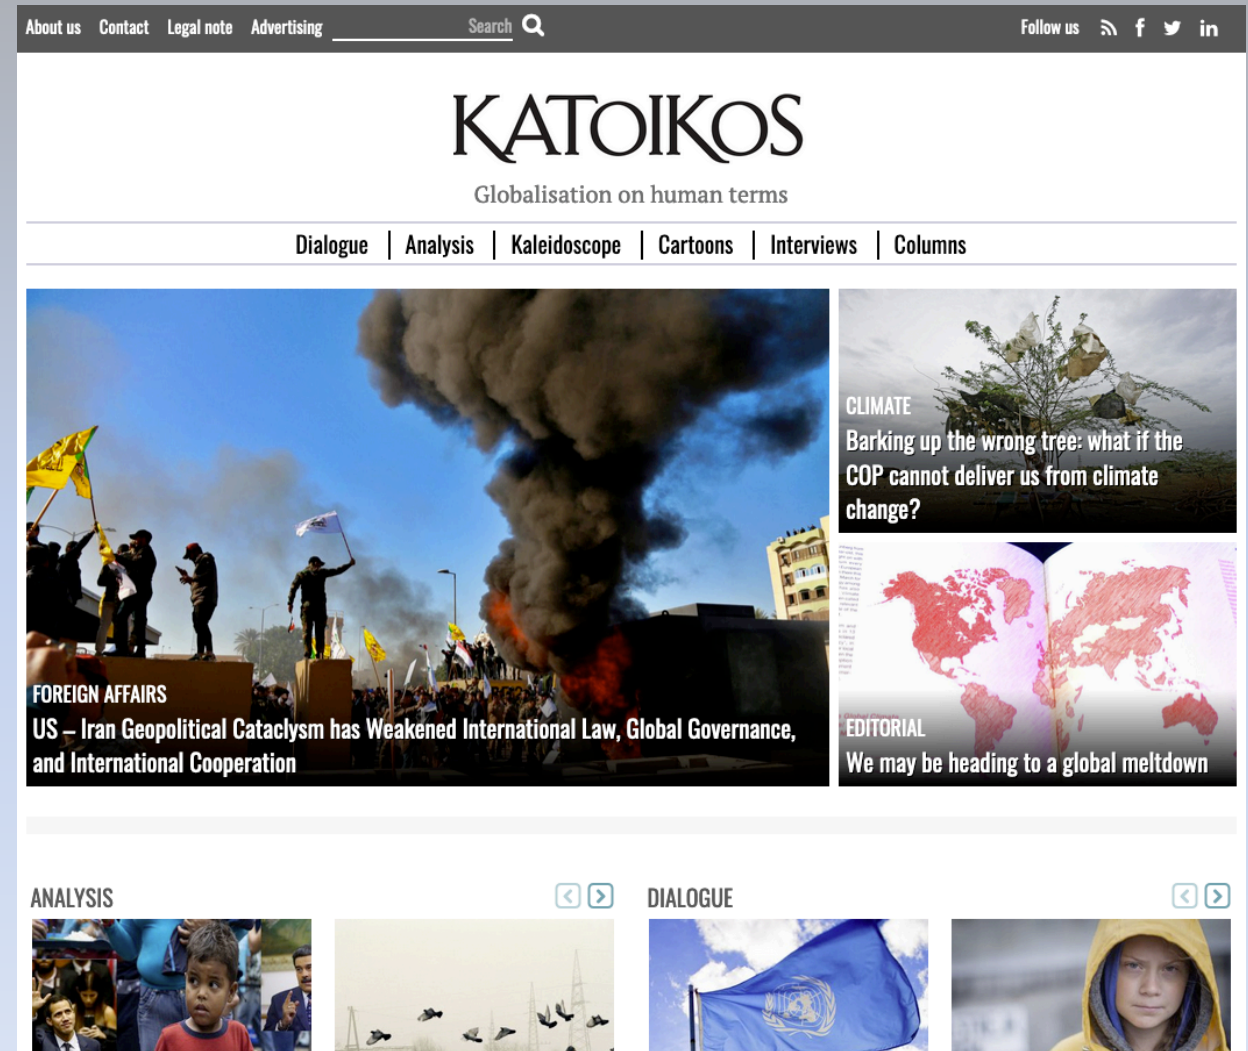

- [#Engage4Better petition](#) addressed to the UN Secretary-General and the leaders of all countries for a “Better world after COVID-19” launched in the context of the COVID-19 pandemic
- Recently started series of interviews entitled “Changemakers Around the World”: individuals and organisations who embody the Hexalogue and the Grand Narrative in their efforts to make the world a better place through strong social and/or technological impact, posted on our [YouTube Channel](#)
